OUR MISSION

5th Wave Collective is a Chicago-based classical music ensemble dedicated to the performance and promotion of music by womxn and gender non-conforming composers. We seek to celebrate their legacy, and to create a platform for those to come.

SPONSOR OUR SEASON

5th Wave Collective's fourth season shines with local partnerships and ambitious initiatives. Season highlights include a mainstage performance at Chicago's critically acclaimed Ear Taxi Festival; celebrations of Baroque and Baroque-inspired music including the world premiere of 5th Wave's critical edition of Isabella Leonarda's set of twelve sonatas; and an orchestral season finale featuring Clara Schumann's Piano Concerto in A Minor, performed by renowned Evanston-based pianist Sylvia Wang. The Collective will also share the stage with Chicago Fringe Opera, craft a collaborative concert experience with Awakenings Art Gallery, and continue building its publishing branch, 5th Wave Editions. Returning to the stage and furthering its online presence, 5th Wave Collective continues its mission in Chicagoland and beyond.
